

First Week of the "1600 Block Contest"

Judging by the interest taken in the 1600 Block Popularity Contest during last week, the rivalry is going to be keen. Workers are busy and the list of nominations received thus far shows that there will be plenty of them. The nominations do not close until July 20, so as to give all an opportunity to be a winner. The standing of the contestants will be published every Monday, all votes cast up to Saturday being counted.
